

## Online AMIAS Re-Certification Session

**SUNDAY, JANUARY 30, 2022, 2:00 – 4:00 PM**

Due to Covid, our ability to get recertified has been limited. Most AMIAS in our Area need to be recertified NOW!

*We will have a special guest speaker at 2:00pm to share about suicide, self-harm and depression in our teens. Don't miss this opportunity!*

No advance registration is necessary, however, a roll call will be held after the speaker, to document attendance for the WSO records.
